Entry requirements: Level 1 or higher initial assessment results: See functional skills explainer.

End Point Assessment details: See EPA Guidance explainer for the assessment methods used for this standard.

FUNCTIONAL SKILLS

- All apprenticeships require the achievement of functional skills in maths and English
- We will complete an initial assessment on BKS^B with you to determine your current working level for each subject
- From there, we will put together the best learning plan for you to achieve the qualifications
- You may be exempt from this component of the apprenticeship programme if you can show certificates that meet the exemption criteria

Initial Assessment Level	Level 2 Apprenticeship	Level 3 or above Apprenticeship
Level 2+	<ul style="list-style-type: none"> • Your skillscoach will support you to complete functional skills English and Maths at Level 1 • This will be completed by month 5 of your apprenticeship • English consists of 3 parts: Reading, Writing and a Speaking & Listening exam • Maths: 1 exam 	<ul style="list-style-type: none"> • Your skillscoach will support you to complete functional skills English and Maths at Level 2 • This will be completed by month 5 of your apprenticeship • English consists of 3 parts: Reading, Writing and a Speaking & Listening exam • Maths: 1 exam
